Care Home – Housekeeper

Hiring organization

Forte Reliable Care

Date posted

August 11, 2026

Description

We are recruiting reliable and hardworking Housekeepers/Domestic Cleaners to work in care homes across our client sites. You will help maintain a clean, safe and comfortable environment for residents, ensuring high standards of hygiene throughout the home.

Duties include cleaning residents' rooms, communal areas and bathrooms, as well as vacuuming, mopping, dusting and sanitising surfaces. You will follow infection control and health and safety procedures while working respectfully around residents.

Previous cleaning or housekeeping experience is desirable. We offer opportunities to work across different care settings, gain valuable experience and become part of a supportive agency team.

Responsibilities

- Clean and maintain residents' rooms, communal areas, bathrooms and facilities.
- Vacuum, sweep, mop, dust and sanitise surfaces to a high standard.
- Follow infection prevention and control procedures at all times.
- Safely use cleaning products, equipment and PPE.
- Dispose of waste safely and correctly.
- Maintain high standards of hygiene throughout the care home.
- Report any cleaning, maintenance or health and safety issues.
- Work respectfully around residents, maintaining their dignity, privacy and comfort.
- Follow cleaning schedules and care home procedures.
- Work effectively both independently and as part of a team.

Qualifications

- Experience working in care home environments
- DBS Check on update service or willingness to obtain
- Basic knowledge of COSHH

Job Benefits

- **Flexible working hours** – Choose shifts that fit around your personal commitments and availability.
- **0-hour contract** – No fixed hours, giving you the freedom to decide when you want to work.
- **Holiday pay** – Receive holiday pay in addition to your worked hours.
- **Friendly and supportive office team** – Work with a helpful team who are available to support you throughout your role.
- **Gain valuable experience** – Build your skills and experience by working across different areas of the healthcare industry.
- **Variety of work opportunities** – Gain exposure to different healthcare settings, patients and care environments.
- **Career development** – Develop your confidence, knowledge and practical

care skills while progressing within the healthcare sector.
